

Evacuation plan for the 2020 Berlin Juniors International, Golfpark Schloss Wilkendorf

An immediate interruption of the game due to danger - signalled by one long tone - means at the same time an evacuation of the course.

Method of evacuation:

1. The bags and trolleys are parked outside of the respective and nearby shelters at a distance of at least 10 meters.
2. The players of a group leave together, in order and immediately the course to the nearest shelter.
3. When play is suspended, the following groups go to the **clubhouse**:
tee 1, 2, 8, 9, 10, 11, 13, 18
while playing holes 1, 2, 8, 9, 10, 11, 12, 18
on the green 1, 2, 8, 9, 10, 11, 12, 18
4. When play is suspended, the following groups go to **shelter at Tee 4**:
tee 4, 5
while playing holes 4
on the green 4
5. When play is suspended, the following groups go to **shelter at Tee 6**:
tee 3, 6, 7
while playing holes 3, 5, 6, 7
on the green 3, 5, 6, 7
6. When play is suspended, the following groups go to **shelter between Tee 12 an 14**:
tee 12, 14, 15, 16
while playing holes 13, 14, 15
on the green 13, 14, 15
7. When play is suspended, the following groups go to **shelter at Tee 17**:
tee 17
while playing holes 16, 17
on the green 16, 17

On the basis of the course overview the respective holes, the club house and the shelters can be localized.

It is a decision by the committee, whether the play can be continued or whether an abort must be made.
